

## **Southlands Solicitation Policy**

Southlands Solicitation Policy Southlands does not permit outside selling or solicitation of any kind. This pertains to existing businesses at Southlands along with outside businesses, charity groups, non-profits, local schools, organizations (boy/girl scouts), etc. In addition, leaf lettering on vehicles or distributing materials to customers walking along Main Street is also prohibited.

Individual stores or restaurants may allow outside charities / organizations inside their business without prior approval, but the activity must be entirely contained within the store or restaurant.

Thank you for your cooperation as we make Southlands a welcome environment for customers to shop and dine at our existing stores and restaurants.
